INSTITUTE OF GEOPHYSICS UB RAS

MINING INSTITUTE UB RAS

URAL STATE MINING UNIVERSITY

XXV URAL YOUTH SCIENTIFIC SCHOOL OF GEOPHYSICS

FIRST CIRCULAR

Main scope of the school:

New scientific theoretical and practical developments in the field of solid Earth physics and geophysical methods of prospecting and exploration of mineral deposits.

Aims of the school:

- raising the level of scientific research and expanding the scientific horizons of young scientists, graduate students, undergraduates and students specializing in geophysics;
- development of creative activity of scientific youth.

School sections:

1. Deep structure of the earth's crust and geodynamics.
2. Geophysical fields and interpretation of geological and geophysical data.
3. Geophysical equipment and geoinformation technologies.
4. Geophysical research methods for solving engineering and environmental problems.

Don't forget our basic principles for preparing reports!

We accept reports completed **independently**. That is, the co-authors **should not be "senior" colleagues** to whom you can **express your thanks** in the final part of your report.

The school program includes lectures by the following leading scientists:

Antonovskaya Galina Nikolaevna –

Doctor of Technical Sciences, Deputy Director for Scientific Work of the N.Laverov Federal Center for Integrated Arctic Research of the UB RAS, Head of the Seismology Laboratory of the Institute of Geodynamics and Geology of the Russian Academy of Sciences (Arkhangelsk)

Duchkov Anton Albertovich –

Ph.D., Deputy Director for Scientific Work, Trofimuk Institute of Petroleum Geology and Geophysics of Siberian Branch Russian Academy of Sciences (Novosibirsk)

Makarov Evgeniy Olegovich –

Ph.D., senior researcher at the Laboratory of Acoustic and Radon Monitoring of the Kamchatsky Branch of the Federal Research Center Geophysical Survey of RAS (Petropalovsk-Kamchatsky)

Nafikova Albina Rinatovna –

Ph.D. Associate Professor of the M.Akmullah Bashkir State Pedagogical University (Ufa)

Pugin Alexey Valerievich –

Ph.D., Researcher at the Laboratory for the Development of Mining Production, Mining Institute UB RAS (Perm)

Shulakov Denis Yurievich –

Ph.D., Head of the Laboratory of the Laboratory of Natural and Technogenic Seismicity, Mining Institute UB RAS (Perm)

Organising Committee:

Kozlova I.A. – Ph.D., Director, Institute of Geophysics UB RAS, Ekaterinburg

Antipin A.N. – Ph.D., deputy director for Scientific Work, Institute of Geophysics UB RAS, Ekaterinburg

Martysenko P.S. – Corresponding Member of the Russian Academy of Sciences, Doctor of Physical and Mathematical Sciences, Chief Researcher, Institute of Geophysics UB RAS, Ekaterinburg

Malovichko A.A. – Corresponding Member of the Russian Academy of Sciences, Doctor of Technical Sciences, Geophysical Survey of the RAS, Obninsk

Demezhko D.Yu. – Doctor of Geology and Mineralogy, Chief Researcher, Institute of Geophysics UB RAS, Ekaterinburg

Diaghilev R.A. – Ph.D., deputy. Director for Scientific Work, Geophysical Survey of the RAS, Obninsk

Shulakov D.Yu. – Ph.D., head. laboratory, Mining Institute UB RAS, Perm

Talalay A.G. – Doctor of Geology and Mining, Professor, Ural State Mining University, Ekaterinburg

Kostitsyn V.I. – Doctor of Technical Sciences, Professor, Perm State National Research University, Perm

Secretary of the organizing committee:

Bazhenova Evgenia Anatolyevna – research scientist, Institute of Geophysics, Ural Branch of the Russian Academy of Sciences, Ekaterinburg
tel.+7 922 292 50 48

Youth Bureau:

Khatskevich B.D. – Researcher, Institute of Geophysics UB RAS, Ekaterinburg

Verkholtseva T.V. – Leading engineer, Mining Institute UB RAS, Perm

Kosorotova E.A. – junior researcher, Institute of Geophysics UB RAS, Ekaterinburg

Kurdanova A.A. – junior researcher, Institute of Geophysics UB RAS, Ekaterinburg

Murytskin A.S. – junior researcher, Mining Institute UB RAS, Perm

Viryasova U.V. – engineer, Institute of Geophysics UB RAS, Ekaterinburg

Vandysheva K.V. – Ph.D., Associate Professor, Ural State Mining University, Yekaterinburg

Tezиков A.D. — postgraduate student, Perm State National Research University, Perm

Important dates:

Acceptance of applications and materials until **March 1, 2024.**

Second circular with an preliminary program - until **March 10, 2024.**

Working days of the School are **March 25-29, 2024.**

Venue:

Institute of Geophysics named after. Yu.P.

Bulashevich Ural Branch of the Russian

Academy of Sciences, Ekaterinburg, st.

Amundsen, 100. Fax (343) 267 88 72

participation with reports online is possible

The working language of the conference is Russian, but reports in English are accepted and welcomed

Registration:

Applications for participation and materials should be sent by email to the School address

uralschool2024@mail.ru

Sample application:

Full name of the participant

Age

Job title

Degree

Organization name (Full and abbreviated)

Email address

Scientific adviser / supervisor

Authors of the report

Title of the report

Section name

Desired type of participation (in-person participation/online)

Requirements for the preparation of reports

Materials are prepared according to the sample presented on the website <http://igfuran.ru/>

Publication language: Russian (with annotation in English) or English.

Volume of materials - no more than 5 pages (including illustrations); **Page format** - A4;
